

Reimagining Work

with Think Productive

YOUR PEOPLE WILL SHINE. ✨
YOUR ORGANIZATION WILL THRIVE.

THE UNIVERSAL PROBLEM

CONSTANT DEMANDS, FRAGMENTED ATTENTION,

PRESSURES ON WELLBEING.

INFORMATION OVERLOAD, ENDLESS MEETINGS,

EMAILS AND INTERRUPTIONS.

ALL OF THIS SET AGAINST A RAPIDLY CHANGING

DIGITAL WORLD.

WHAT CAN YOU DO ABOUT IT?

Equip your people with the skills to navigate and to reimagine the changing work landscape.

Making space for learning brings back the creativity, the innovation, the opportunity and the motivation to shine.

It shows your people that you see a bright future together.

WE CAN HELP

By investing in the human skills needed to thrive and lead in any scenario, your people and your organization will develop **an indisputable competitive edge** and **consistent employee engagement**.

We stand for **INCLUSIVITY**

OUR WORKSHOPS FOLLOW THE PRINCIPLES OF UNIVERSAL LEARNING. THIS MEANS:

- ✓ Giving all participants an equal opportunity to succeed.
- ✓ Offering flexibility in the way participants access material and show what they know.
- ✓ Seeking different ways to keep learners motivated and engaged.

CREATING A SAFE LEARNING ENVIRONMENT

We understand that everyone learns differently, therefore:

- ▶ We don't assume we know participants' situations or context. We approach every interaction with natural curiosity and an open mind.
- ▶ We will never expect participants to contribute in a way that makes them feel uncomfortable. We welcome volunteers who would like to contribute to the discussion, but never insist.
- ▶ We prioritize the psychological safety of our participants, holding neutral, non-judgmental positions and language so they feel it's a safe place to learn, question and grow.

CREATING AN ACCESSIBLE AND ENGAGING LEARNING EXPERIENCE

IN-PERSON WORKSHOPS

- ▶ Many of our workshops include printed resources. If participants would like to view them in advance or need them to be printed in larger font/different paper, we can organize these modifications.

ONLINE WORKSHOPS (LIVE WEBINARS)

- ▶ Participants have the freedom & option to enable closed captions when we deliver on Zoom.
- ▶ The digital pdf workbooks we provide are fillable online, as well as easily printable from a home printer if preferred.

BE OUR GUEST

We want all our participants to feel comfortable and we're committed to making the learning experience accessible and successful for everyone. If you have any additional support needs, we're always happy to explore accommodating these with you or the Workshop Booker.

IMPROVE EMPLOYEE ENGAGEMENT

Employee engagement consistently impacts company performance, no matter the industry, location or size of company.

The numbers speak for themselves.

Investing in a great workplace, where your people are doing their best work, where they are fully engaged and contributing to the success of the company, will drive better results for your organisation's productivity and its bottom line.

We get that pressure on budgets and the stress of just keeping up with the day-to-day chaos, can make it easy to put learning and culture-building on the sidelines.

But no one should put professional growth, workplace wellbeing or culture in the corner.

Investing in your people shows them you value them and their potential. Making space for learning is a win-win.

Your people will
shine, your
organization will
thrive.
